WHAT IS A RETREAT?

A retreat is a mix of building community, prayer experiences, entertainment, celebrating our faith, spending time with friends, making new friends and maybe, just maybe, you might learn something about yourself and your faith.

Retreats serve the purpose of spiritual growth, improving one's closeness with God, taking the time to listen and hear God's voice in one's heart.

St. Paul Catholic Church High School Retreat

Our desire resonates with Jesus', "I have come to set the earth on fire, and how I wish it were already

blazing!"

- Luke 12:49

Why Should I Go on Retreat?

When we are faced with unexpected situations, most of us lose our balance and are unable to handle our obstacles efficiently. Most of us spend days, months or sometimes, even years, in asking one question, "Why me?" The retreat serves as that "Reset" button, that gives us a much-needed breakthrough, we have been looking for! When we go through the retreat, we find ourselves becoming more and more accepting of challenges, at the same time more and more equipped and enabled to face them, head on!

Stress is a stranger to none in today's world. The world seems to be in a rush! Most of our targets seem mobile too and the chase to attain them, never seems to end. The retreat gives us an opportunity, to take that much needed break from the noise of the fast paced world, slow down to reflect on what is important to us and reset our priorities!
