Dear St. Paul Parishioners,

As our parish continues to adapt during this challenging time, we are closely monitoring how best to use the funds that you so generously continue to give.

Beginning in January, our tithing envelopes will look a bit different and we will change the way they are distributed. In an effort to save money on postage and to avoid having so many un-delivered returned envelopes, we are asking that you pick up your envelopes from the church office or, if you prefer, you may call and request that they be mailed to you. To request that they be mailed to you, you must call by no later than October 15, 2020. Envelopes will also be available at the back of the church as you come to Mass.

There is also the preferred option of online giving. You can go to our Parish website: www.saintpaulaustin.org to learn more and begin to offer your gifts online.

Thank you for your dedication to our parish. Let us continue to pray for an end to the Coronavirus and for the day we can once again worship the Lord together!

United in our mission,

Fr. Johnson Nellissery
Pastor
